NOTE - The Transfer Station weekly hours of operation are as follows. Monday and Wednesday from 2:00 PM until 6:00 PM, Friday and Saturday from 8:00 AM until 4:00 PM. The Town requires an Attendant to be present during all hours of operation.

NOTE – Bag & Sticker Pricing, Beginning July 1, 2020, the Materials Recycling Facility (MRF) in Springfield will charge \$93.50 per ton to “tip” recyclables. This fee will be billed less the Average Market Value of the recyclables, estimated at \$20 per ton. All recyclables must be transported to the MRF.

Each month the MRF will calculate the Average Market Value (AMV) of the recyclable wastes according to a predetermined formula. The MRF will pay or charge based on the monthly AMV, minus the Processing Fee, then multiplied by the Tons of Program Recyclables delivered to the Receiving Facility by the Designated Community. Initially the Town expects to receive the bill and will pass it on to the Contractor for payment
