

TOWN OF DALTON

HEALTH AGENT

The Town of Dalton seeks a full-time Health Agent (36 hours per week). Duties include enforcement of various state and local public health laws, research and investigation of complaints and initiation, and oversight of corrective action. Inspect restaurants, public pools, recreational camps for children; oversee inspection and installation of private sewage disposal systems and wells; oversee operation of solid and hazardous waste management, environmental quality, epidemiology, harm reduction and the permitting and operation of various regulated businesses.

A bachelor's degree and a minimum of 2-years' experience in public health or working directly with people of various backgrounds are required. Equivalent combinations of education and experience will be considered. Preferred qualifications: Registered Sanitarian, Soil Evaluator, Septic System Inspector or ServSafe Food Manager, or ability to get certified in any of these within 2 years.

Starting salary around \$27.00 DOQ; negotiable based on experience.

Fully benefited position including paid leave, membership in retirement system and health insurance.

Submit resume with a letter of interest to Alyssa Maschino (amaschino@dalton-ma.gov), Office of the Town Manager, 462 Main St. Dalton, MA 01226 along with Town application form (dalton-ma.gov/jobs). Position open until filled. Target starting date December 27, 2021.

The Town of Dalton is an equal opportunity, affirmative action employer.
