## Updates

### Town Manager

Welcome to the first edition of the Dalton Community Newsletter! We hope to expand this with timely town news, feature stories, and notices of special events. For my regular updates to the Select Board, please see Town Manager Updates [here](#). Please tell your friends to subscribe to this newsletter, and please make the Town's website (soon to be improved) your home page and don't miss out on anything!

### Cultural Council

The Cultural Council has been planning the 2nd Dalton Day for the past few months, which will take place on Saturday, July 20th. This year, Dalton Day will be bigger and better, as we are incorporating a car show earlier that day, as well as a concert later that day on the lawn of Mill & Main. The council has two vacancies that we are looking to fill.

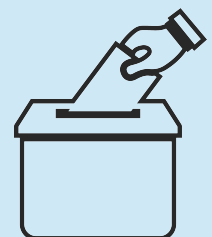

### ADA Committee

The ADA Committee is working to make Dalton more accessible. This committee has been working on the ADA Self-Evaluation and Transition plan that BRPC provided for us. They looked at all town buildings and parks to see what is accessible and what needs to be updated. We received a grant for seven ADA accessible tables for all of the parks and one outside of the library, which will be installed this summer.
